## *A Forward*

At Mary's, we understand the shared enjoyment of a well-chosen glass of wine—an ethos we have used to shape our wine list. It honours both the revered winemakers who have shaped the world of wine and the bold new voices redefining it. From timeless grand crus to the fresh allure of natural and new world pours, our offerings bridge the gap between tradition and modernity.

We are especially proud to shine a spotlight on the exceptional achievements of female winemakers from across the globe. Their contributions—whether pioneering new techniques or upholding cherished traditions—are reflected in every glass and bottle we offer. Each selection celebrates their artistry, resilience, and vision.
